"... AS FOR ME AND MY HOUSEHOLD, WE WILL SERVE THE LORD."

Recommit

At Palms Presbyterian Church, we view our spiritual life as a journey. On this journey, we find a wide variety of disciples, with different perspectives and understandings, but all unified under the belief that;

By the grace of Jesus Christ, we are called to worship God: to connect in community, to nurture in love and to serve in the world.

These are powerful words. They empower a community journeying together. We believe that Palms is just this community, our spiritual home - a place where we can be true to ourselves and true to the words above.

We want to help connect you to the people, resources, knowledge and information you need to nurture your faith and fulfill your commitment to follow Jesus Christ.

Our commitment to Christ includes our *whole* selves - our time, our talent and our treasure. As we move forward into God's future, we invite you to **recommit** your time to serve God, your talents to make a difference for Christ and your treasure to share the good news of God's grace.

Bridge builders Ambassadors of reconciliation Servant leaders

Our lives of faith reflect a rhythm of being nurtured by God's grace so we can serve God's world. Each week we gather to give praise to God, confess our need for grace, and hear God's gracious call through scripture, sermon, and sacraments. We are then sent back into the world to serve God as bridge builders in a divided world; ambassadors of compassion and reconciliation; and servant leaders.

How can I engage my talents to impact my life and the lives of others?

Following Jesus is a journey of a lifetime. Programs and events for all ages are available on different days of the week and at different times. There are so many ways to get involved and become part of the awesome work that Palms Presbyterian Church is doing here at the beaches and globally. We invite you to share your gifts with us as we engage God's world together, making an impact for Jesus Christ.

WE AFFIRM, GOD GIVES

As Christians, we affirm that God gives. Our God is the Creator and has given us everything – our world, our lives, and our treasures. In God's gift of Jesus, we see clearly who God is. Jesus came that we might live – a gift so wonderful it's hard to comprehend. As we claim the wonders of God's gift of grace, our natural response is joyful gratitude. Enabled by the Spirit, we become new people and want to relate to our community and the world as God did – with unbounded generosity.
