ONE GREAT HOUR OF SHARING

Around the world, millions lack access to sustainable food sources, clean water, sanitation, education, and opportunity. The three programs supported by One Great Hour of Sharing - Presbyterian Disaster Assistance, the Presbyterian Hunger Program, and Self-Development of People - all work in different ways to serve individuals and communities in need. Received during the season of Lent (February 26 - April 12), each gift helps to improve the lives of people in challenging situations. One Great Hour of Sharing is Presbyterians coming alongside other denominations providing a way to share God's love with our neighbors in need. We come together each year at this time to work for a better world. You can either use a fish bank to collect coins (extra fish banks and fish bank BINGO boards can be found at the Welcome Center) and return it Easter Sunday, April 12. You may also give electronically as shown below:

- Text to 73256
- In the text message box enter **Palms \$5** or whatever amount you wish to give and send message
- Click on the link texted to you
- Choose OGHS from the fund list
- Enter payment method information (this is a one-time step)

Welcome

Palms Mission Statement

By the grace of Jesus Christ, we are called to worship God: to connect in community, to nurture in love and to serve in the world.

We are glad you are with us today. There is much happening in the life of Palms. We are excited to share all that God is doing in and through Palms and the many opportunities for you to share your time and talents.

THE CAT IS HERE!

All Palms disciples are invited to complete a Church Assessment Tool (CAT), an on-line instrument, which will help leaders gauge the strength, vitality and trends in our church. The Congregational Assessment Tool (CAT) has been developed by Holy Cow! Consulting. It's a survey-based tool grounded in over 20 years of experience. Steeped in the theory of Organizational Intelligence, the CAT provides leadership clear insights into congregational dynamics.

The survey window is open TODAY- APRIL 15! Please log in and take the survey: <https://www.surveymonkey.com/r/palmspcjacksonvillefl>.

This link is unique to Palms and will allow you to provide an anonymous response. In the coming weeks, we will have volunteers in Patten Hall available to help anyone who may need assistance with completing the instrument.
